The Most Wonderful Christmas Gift

Leave it to the little folks to tell you why. Their smiles and laughter as well as sheer delight in hearing their own Columbia Grafonola on Christmas Morning, will surely convince you that here, indeed, is a most wonderful gift. Every member of the family is going to enjoy this beautiful instrument. Scientifically designed, finely finished, and of splendid tonal qualities, the Columbia Grafonola is the gift of gifts.

Come in and see it for yourself. In ten minutes we can demonstrate its superiority. In still less time we can play it for you and show you the Non Set Automatic Stop. Nothing to move or set or measure. No other phonograph has it—no other phonograph can get it. Never stops before it should. Always stops at the very end. You want to please the kiddies, of course—well, here's your opportunity.
